SUBJECT: Discontinuation of Embassy Jidda Joint Weeka

REF :

POL 2-1 SAUD
INR-5

In accordance with the Department's CA-13442, dated June 14, 1965, Embassy Jidda's Joint Weekly Report (WEEKA) has been discontinued effective immediately. In its place this Embassy plans to prepare a monthly interpretative review of events in Saudi Arabia. This review will be in narrative form and will be similar in format to that prepared by Embassy Khartoum. The Embassy intends to use this new periodic reporting schedule and altered format to give a better perspective of events in the Kingdom than the more frequent reporting schedule permitted, while at the same time giving scope for a deeper analysis of developments in Saudi foreign and domestic policy during the reporting period. It is planned to submit these monthly reports within 15 days after the end of the month under review.

The first report in this new series, covering the month of June, will be prepared shortly and transmitted to all information addressees who formerly received the Jidda WEEKA. Subsequently, those posts which do not wish to continue receiving these monthly reports on a routine basis are kindly requested to notify this Embassy so that we can amend our mailing list accordingly.
